

Love your travelers.
Give them the options they want.

Here's a sample email to help you get started:

Subject: Hotel booking made easy!

You can now book a company preferred hotel in less than two minutes with TripSource by BCD Travel.

TripSource offers the ability to book our company preferred properties worldwide, and from any device. Search for the perfect hotel using filters including neighborhood, amenities, ratings, and more. Once you've made your reservation, all of the details will be automatically added to your trip folder in TripSource.

Easy right?

Not a TripSource user yet? Access TripSource from your [iPhone](#), [Android](#), or by visiting [TripSource.com](#) from any other device. Simplify your business travel.
