

Rest Assured.

Behind the scenes,
TripSource® is working for you.

BEFORE LEAVING

- ~~book room~~
- ~~finish packing~~
- ~~call dog sitter~~
- ~~set timers~~
- ~~send final presentation~~
- ~~check room rate again?~~

You found and booked the perfect room. What if the price drops before your trip?

We'll take care of it.

That's right, your hotel rate could drop between booking and traveling and you would have no way to catch it.

TripSource ensures you get the best rate at the hotel you've booked by monitoring your reservations before arrival.

If a lower rate becomes available, we'll book it and send you a new itinerary.

You don't need to lift a finger.
